## Coláiste Shliabh na mBan Anti-Bullying Policy

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Coláiste Shliabh Na mBan school has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published in September 2013.
2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:
  - A positive school culture and climate which-
    - is welcoming of difference and diversity and is based on inclusivity;
    - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
    - promotes respectful relationships across the school community;
  - Effective leadership;
  - A school-wide approach;
  - A shared understanding of what bullying is and its impact;
  - Implementation of education and prevention strategies (including awareness raising measures) that-
    - build empathy, respect and resilience in pupils; and
    - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
  - Effective supervision and monitoring of pupils;
  - Supports for staff;
  - Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
  - On-going evaluation of the effectiveness of the anti-bullying policy.
3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.
